

served June 15, 2012. Additionally, Plaintiff would like to take the deposition of several of Defendant's employees, including those who were only disclosed to Plaintiff last week.

4. Additionally, the Defendant has now advised the court that its corporate representative is unable to attend the Settlement Conference in person and has filed a Motion to Attend by Telephone. See Docket Entry No. 29. Plaintiff objects to Defendant's request. Rescheduling the Settlement Conference will allow the Defendant to attend in person with settlement authority.

5. Accordingly, Plaintiff respectfully requests that the settlement conference be rescheduled.

6. The undersigned has spoken with counsel for Defendant and is authorized to advise the Court that Defendant does not object to this motion or the request to reschedule the settlement conference.

7. Counsel for the Plaintiff has spoken with counsel for the Defendant today regarding this request. Although he didn't think that his client would likely have any opposition to Plaintiff's Motion to Continue, Mr. Harper stated that he has been unable to reach his client and therefore cannot represent whether it does or does not object to this Motion.

For the reasons stated above, Plaintiff respectfully requests that this Honorable Court reschedule the Settlement Conference.

Respectfully Submitted,
